

Aquaculture Forum

Two consecutive events

4-5 October 2011

Conference on Competitive and Sustainable Aquaculture
in Northern Europe (www.rktl.fi)

5-6 October 2011

Workshop on Recirculating Aquaculture Systems (www.NordicRAS.net)

4-5 October 2011

Conference on Competitive and Sustainable Aquaculture
in Northern Europe

- Sustainability
- Profitability
- Acceptability
- Attractivity

5-6 October 2011

Workshop on Recirculating Aquaculture Systems

- RAS in practice
- Feed, nutrition and waste characterisation
- Water quality in RAS
- Waste management in RAS
- Welfare in RAS and product quality

Conference venue: House of Estates,
Snellmaninkatu 9-11, Helsinki, Finland

Registration to both events will open in mid June and include
detailed Conference and Workshop programmes.

The goal of both Conference and Workshop is to provide a forum
for authorities, aquaculture industries, researchers and other
stakeholders for discussing the opportunities and challenges for
aquaculture in Northern Europe.

Conference on Competitive and Sustainable Aquaculture

Success Story or Survival Game?

Dimensions and Tools of Competitive and Sustainable Aquaculture in Northern Europe

Monday 3 October	evening	Get together
Tuesday 4 October	morning	Registration and Opening Keynote Aquaculture in the global perspective Introduction Aquaculture in Northern Europe - state of play
	noon	Theme 1 SUSTAINABILITY – Success in competing for coastal and freshwater resources and recycling of nutrients
	afternoon	Theme 2 PROFITABILITY – Success in competing in global product markets and innovations Theme 3 ACCEPTABILITY – Success in competing for the souls of consumers - quality, organic production and ecolabelling
	evening	Conference dinner
Wednesday 5 October	morning	Theme 4 ATTRACTIVITY – Success in competing for capital and labour Closing session
	noon	Lunch and press conference
	afternoon	To be continued with the Workshop on Recirculating Aquaculture Systems, see next page

Target group: Authorities responsible for aquaculture development, authorization and control, aquaculture industry, researchers, other stakeholders

Organisers:

Finnish Game and Fisheries Research Institute, www.rktl.fi
Research Director Riitta Rahkonen

Workshop on Recirculating Aquaculture Systems (RAS)

5–6 October 2011

Wednesday 5 October	noon	Registration
	afternoon	Welcome and presentation of the Nordic RAS Network
		Keynote General overview of RAS
		Theme 1 RAS in practice Presentations by contractors, feed suppliers and managers
Thursday 6 October	morning	Theme 2 Feed, nutrition and waste characterisation Keynote and presentations on: effects of feed on waste output, and characterisation of sludge
		Theme 3 Water quality in RAS Keynote and presentations on: bio-filtration, nitrification, UV, ozone, gasses, advanced monitoring, modelling
	afternoon	Theme 4 Waste management in RAS Keynote and presentations on: de-nitrification, sludge hydrolysis, end-of-pipe treatment
		Theme 5 Welfare in RAS and product quality Keynote and presentations on: performance, stress, diseases (parasites), quality, geosmine

Target group: Researchers, students, farmers and managers, fish farmer associations, private companies, contractors, suppliers, feed companies, authorities and stakeholders in general
